

MPA Skills – Online Gas Logbook (Advanced)

Plumbing students will have gas work monitored throughout their Gas training by their supervisor.

To monitor your progress the online Gas Workplace Log Book will state the work tasks to be completed with verification by recording the Notice of Completion Numbers.

Energy Safety requires trainees to record the number of hours gas related work tasks are taken under supervision, the exact number of hours is dependent on when the training commenced. Please see the table below.

Apprenticeship Contract Signed	Certificate III in Gas Fitting commenced	Minimum Hours
On or after 1 July 2018	On or after 1 July 2018	250 hours
Between 1 July 2017 and 30 June 2018	Between 1 July 2017 and 30 June 2018	125 hours
