

School Based Pre Apprenticeship Fact Sheet

****Please note:** secondary school aged students are only eligible for this course if they have not previously completed a course funded by the Department, as per the [Vocational Education and Training Delivered to Secondary Students Funding Policy](#)

About:

MPA Skills offers a Pre-Apprenticeship for those still attending school and want to participate in the program during Year 11 and Year 12. The Certificate II qualification counts towards a student's final results at school including the work placement component.

The School Based Pre-Apprenticeships we offer are:

52887WA Certificate II in Plumbing (1 Year course for year 11's and 12's, DTWD funded)

- Plumbing Pre Apprenticeship

52887WA Certificate II in Plumbing (2 Year course for year 11's only, CTF funded)

- Plumbing Pre Apprenticeship, CTF Scholarship Program

52824WA Certificate II in Building Construction (Pathway – Trades) (1 Year course, DTWD funded)

- Painting Pre Apprenticeship

Pre requisites:

Students must have a C Grade average to enrol for the School Based Pre Apprenticeship courses. Students must have also not completed any prior VET courses as stated in the [Vocational Education and Training Delivered to Secondary Students Funding Policy](#)

What is the difference between the 1 Year and 2 year Plumbing Pre Apprenticeship courses?:

1 Year DTWD funded Pre Apprenticeship-

This course is funded by the Department of Training and Workforce Development (DTWD). Students in either year 11 or 12 can apply for this program. This program runs 1 day per week from Terms 1 to 3 and includes 152 hours (Plumbing) and 150 hours (Painting) of work experience. Work experience is usually completed on school holidays or exam breaks, or some schools will allow their students to complete their work experience on an additional day during the week.

2 Year CTF funded Scholarship Pre-Apprenticeship-

This course is fully funded by the Construction Training Fund (CTF). Students in year 11 can apply for this program. This program runs 1 day per week from terms 1 – 4 in the first year, and terms 1 – 3 in the second year, and includes 220 hours of work experience. This course is structured in blocks, so there is allocated time for class work and work experience.

Enrolment Process:

Prior to enrolment, students MUST discuss their intention to enrol with their VET Coordinator/School. Students should not enrol without consent from their school.

Enrolment for *the 1 year DTWD courses (Plumbing & Painting)* is completed via the MPA Skills website, please see below for more details. Enrolment for the CTF Scholarship course needs to be completed via the CTF website- <https://ctf.wa.gov.au/>. CTF will advise MPA Skills of the applicants, we will then be in contact with each student.

Students MUST supply MPA Skills with a birth certificate/passport and latest school report. These documents must be uploaded during the enrolment process as stated on the website. Without these documents, your application will not be accepted.

Vaccination Status:

As students will be required to complete a work placement component, they will fall into category 2 of the mandatory vaccination status. Students will be required to provide evidence of vaccination status OR exemption to be able to commence work placement.

Those who are not vaccinated or hold an exemption will not be considered for a place in the CTF program, however those who are choosing not to vaccinate are still eligible for the DTWD programs however will not be permitted to complete the work experience component therefore will not receive their full qualification.

Interview Process

Your enrolment does not confirm your place in the course, you must be interviewed and complete a short aptitude test.

Have you enrolled before 25th June 2022? If so, you have qualified for the 1st round of interviews! We will send you an email with your interview details in early June.

Have you enrolled after the 25th June 2022? If so, you have qualified for our 2nd round of interviews which will be conducted in September 2022. An email will be sent to you closer to the day.

All interviews will be conducted at MPA Skills, Maylands.

Although you can choose the campus you want to attend on enrolment, MPA Skills may move you to a different campus depending on the suburb that you live in, and the amount of student who apply for each campus.

Course locations and days:

Plumbing Pre Apprenticeship (1 Year DTWD funded)

MPA Skills Jandakot Campus - 7 Chullora Bend, Jandakot (Fridays) St
Norbert College - 135 Treasure Road, Queens Park (Thursdays) MPA

Bunbury Regional Trade Training Centre, BCC site – Corner of Petherick & Flynn Street, Bunbury (Thursdays)

Painting Pre Apprenticeship (1 Year DTWD funded)

John Forrest Secondary College – 180 Drake Street, Morley (Fridays)

Work Placement:

MPA Skills source the work placement for students, in this process we also conduct Employability Training with the students to prepare them for future employment.

Completion:

Once a student has successfully completed the Pre- Apprenticeship including work placement, they will be issued with a Certificate II and a Record of Results outlining the units achieved.

Cost:

Secondary School aged students undertaking pre apprenticeships in schools as part of their secondary education are exempt from tuition, resource, and enrolment fees. The Pre-Apprenticeship is fully funded by The Department of Training and Workforce Development (Jobs & Skills WA) or the Construction Training Fund (depending on which program they are in).

Students need to purchase stationery & work clothing, further details of this are outlined in the student's acceptance letter.

If you have any queries, please phone MPA Skills Pre Apprenticeship Department on 9471 6603 or email preapps@mpaskills.com.au

****Please note**, funding is not guaranteed for these courses. Once our funding is guaranteed we can confirm you have been successful in gaining a place. We are usually notified of our funding by late December/early January

Privacy Notice

Under the Data Provision Requirements 2012, MPA Skills is required to collect personal information about you and to disclose that personal information to the National Centre for Vocational Education Research Ltd (NCVER).

Your personal information (including the personal information contained on this enrolment form), may be used or disclosed by MPA Skills for statistical, administrative, regulatory and research purposes. MPA Skills may disclose your personal information for these purposes to:

Commonwealth and State or Territory government departments and authorised agencies; and NCVER.

Personal information that has been disclosed to NCVER may be used or disclosed by NCVER for the following purposes:

populating authenticated VET transcripts;

facilitating statistics and research relating to education, including surveys and data linkage;

pre-populating RTO student enrolment forms;

understanding how the VET market operates, for policy, workforce planning and consumer information; and Administering VET, including program administration, regulation, monitoring and evaluation.

You may receive a student survey which may be administered by a government department or NCVER employee, agent or third party contractor or other authorised agencies. Please note you may opt out of the survey at the time of being contacted.

NCVER will collect, hold, use and disclose your personal information in accordance with the Privacy Act 1988 (Cth), the National VET Data Policy and all NCVER policies and protocols (including those published on NCVER's website at www.ncver.edu.au).
