

WATER – Part of Plumbing Contractors Licence

About this Course

Plumbing trades persons who have completed a Certificate III in Plumbing (or equivalent qualification) and who have been issued with a Trade Certificate can use a successful outcome of this course to become a licensed Water supply plumber, and a licensed Backflow tester within the plumbing industry.

To obtain a full plumbing contractors licence skill set please be prepared to enrol in all of the following courses in any order of preference;

1. **Business**
2. **Water**
3. **Drainage**
4. **Sanitary**

Pre Requisites

- From previous Certificate III in plumbing or can be completed through an RPL process is sufficient evidence is presented
- Must hold a **Plumbing Tradespersons Licence**
- Must have a USI Number (www.usi.gov.au)
- CPCPCM2043 Carry out WHS requirements*
- CPCPWT3027 Install backflow prevention devices*
- CPCPWT3022 Install and commission water heating systems and adjust controls and devices*

All students will be emailed a 'Student application kit' for the RPL for the two pre-requisite units and it should be completed, if required, before the commencement of the class.
